Letter to the Editor:
Western Morning News

11 February 2009

Dear Sir

I was interested to see Mr Len Short's reply to my letter in last Tuesday's Paper.

Of course, he does quote the Bible out of context but certainly, it does not expect all God-fearing people to be vegetarians. Just using a simple verse does not necessarily encourage a reader to obey it – Matthew 27v5 comes to mind. It is more important that in this context, I refer him to Acts 10v13-6.

I agree that more can be done to improve livestock conditions and particularly farming overseas. I should prefer to see an increase in veal demand in the UK to stop even the thought of calf exports. However, in simple terms it is not sinful to eat meat but as I said before, I am very happy to respect those who have chosen to pursue a vegetarian diet.

Yours faithfully
