HELP US TO LIFT SPIRITS AND MAKE A CHANGE IN NORTH DEVON

On Saturday 12 September 2009 Philip Milton, Prospective Member of Parliament for North Devon Conservatives, and his wife, Helen, are opening their doors at Trimstone Manor Country House Hotel to members of the public for an evening to lift people's spirits in these hard times.

From 7pm there will be live music (from Steve Tucker's full-piece Jazz Band to classical around the grounds), great food, fireworks, other entertainment and perhaps more. The dress code will be Evening Dress for ladies and Black Tie/Lounge Suit for gentlemen. Guests can come earlier to enjoy the grounds if they wish.

Says Philip:

"Everyone has seen the doom and gloom that has befallen us and our international neighbours over the last eighteen months. However, we can't change what has happened. I want this event to be an opportunity to lift spirits and perhaps close a door on 'yesterday' and launch North Devon's prosperous future for the years to come.

"There is **no ticket charge** for attending but donations to my "Send Philip to Westminster" Campaign Fund will be gratefully accepted. By making a donation to my Campaign Fund, you can help me to be elected to stand as an MP and ensure that North Devon is represented in the Government of the day and overlooked no more!

"It is important to note that the evening is being arranged only through the tremendous generosity of friends and supporters, many of whom are either giving or significantly discounting their usual charges to help us all enjoy ourselves – and to ensure that as much of your donations go to the cause as possible.

"As entry is by ticket only, please contact me on 01271 344300 as soon as possible to reserve tickets and avoid disappointment."
